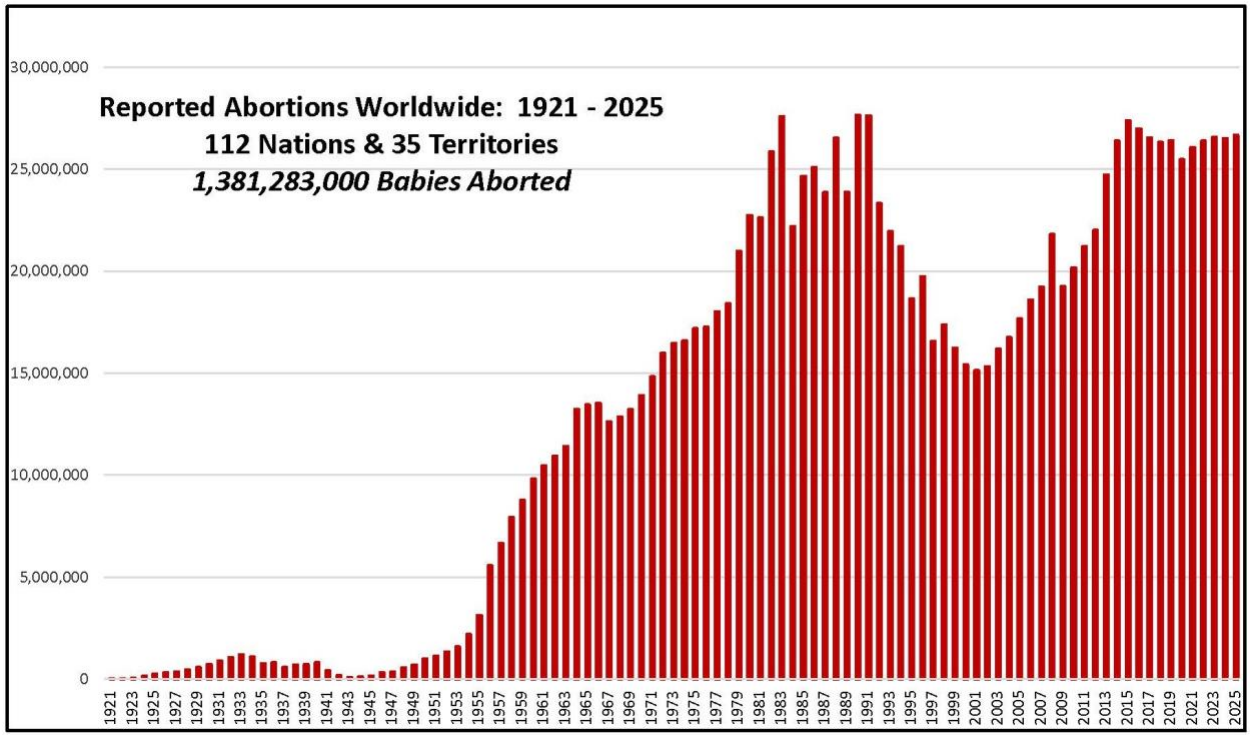
Today is the 106th Anniversary of 1st Communist Nation Authorizing Abortion on Request; Call to Repentance & Ending Abortion

Thomas W. Jacobson, Founder, Global Life Campaign

Today is the 106th anniversary of the first nation in history that authorized abortion on request. On 18 November 1920, Russia and the Union of Soviet Socialist Republics authorized abortion. The U.S.S.R. was the first communist nation, based on rejection of GOD, with no basis for recognizing and protecting the sanctity of human life. Since 1921, 1.4 Billion Unborn Babies have been murdered in 112 nations and 35 territories (see Worldwide Abortions graph).



Abortion is the Greatest Genocide in history!
Abortion violates the inherent right to life of every human being aborted!
Abortion is the number 1 violation of human rights in each of these nations and worldwide!

It is time to repent for immorality and abortion!
It is time to end abortion!
The LORD wants us to return to Him in humility and repentance, and end abortion!

PRAY: the only hope of righteous and just restoration of any nation is GOD Himself. He has unlimited capacities of grace and mercy for those who will humble themselves before Him, repent and turn from their wicked ways, and stop doing evil. Repentance is not enough. We must also evidence that repentance by ending abortion. Let us pray that, beginning with the Church, the people of each nation will humble ourselves before GOD Almighty, repent, and then labor diligently, wisely, shrewdly, and tenaciously to end abortion in each nation.

For the LORD, the sacred gift of life, the sacred gift of liberty, and the restoration and preservation of our nations under GOD,
