Accreditation The Christian Medical & Dental Associations is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physician Credit The Christian Medical & Dental Associations designates this educational activity for a maximum of **3 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Dental Credit - CMDA is an Approved PACE Program Provider by the Academy of General Dentistry. The formal continuing education programs of this program provider are accepted by AGD for Fellowship, Mastership and membership maintenance credit. Approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement. The current term of approval extends from 1/1/2015 to 12/31/2018. Provider ID#218742. **3 Lecture Hours Available. No prior level of skill, knowledge, or experience is required (or suggested)**

Objectives:

- Discuss the role of healthcare in the mission endeavor.
- Describe how addressing spiritual needs is related to the gospel.
- Discuss how understanding the differences and similarities in worldviews impact healthcare practice and receptivity to the gospel message.
- Discuss the usual mix of surgical cases in a rural, developing world mission hospital.
- Identify the key issues involved in a decision for any medical missionary performing new surgical procedures for which they have not received formal training within their institution versus referral to a larger facility or specialist.
- Describe options for seeking specialty consultation to assist in making referral or intervention decisions for surgery.
- List the challenges or barriers faced by patients in pursuing specialty care in the developing world.
- Describe the unique opportunities and advantages that a medical professional has in participating in market place missions.
- Discuss five important components of a marketplace worker.
- Describe the biblical imperative to work for justice.
- Describe the depth of existing healthcare injustice.
- List meaningful strategies to work for healthcare justice.
- Define terms including culture, ethnocentrism, and paternalism.
- Use the definitions of culture, ethnocentrism, and paternalism in the context of cross-cultural communication and work.
- Identify examples of cultural humility in Scripture.
- List specific ways to exhibit cultural humility in real-life situations.
- List three major obstacles to thriving in Missional healthcare missions.
- Discuss a “balanced life” and ask if it a valid concept.
- Describe five themes in thriving during ministry.

- Describe one or two personal practices you want to focus on in the coming year.
- Describe a biblical basis for active engagement in preventing gender based violence and human trafficking.
- Describe the global health burden of violence against women.
- Define the global impact of human trafficking.
- Use a public health approach to prevention strategies for human trafficking and violence against women.
- List some of the benefits of involvement in short-term missions.
- Describe various aspects of dental student involvement in short term missions.
- Identify the rationale for teaching trips to unserved areas of the world.
- Describe some of the effects that international mission trips can have on our private practices back home.
