## From the PRESIDENT

Welcome to the beautiful city of Lexington, Kentucky and to ICOM 2024! We have been praying for you and we are so excited for you to be here and part of this incredible historical ICOM alongside brothers and sisters from all around the world. This year we have had ICOM's in over 30 global locations and together we get to celebrate how God is moving amongst the nations in all the main sessions.

Our prayer for you is to understand and know that King Jesus has personally Entrusted you to be involved in finishing the task and seeing his Gospel spread amongst every nation, tribe, people and language. Our hope is that each of the main sessions, where you will be taught and inspired by global voices, based on the theme "Entrusted" in 2 Timothy 2:2, as well as every workshop, meeting and interaction will encourage and challenge you to find your part in spreading the hope and good news of the Gospel to all peoples and places in the world.

We are so thankful to have you be part of this incredible weekend of learning, growing, and understanding more about God's heart for the nations. We hope and pray that this conference encourages and equips you to preach, pray, care, go, worship and send for the glory of King Jesus.

Thank you for coming to ICOM 2024!

— *Andrew Jit*  
2024 ICOM President

## From the DIRECTOR

Welcome to the new Central Bank Center and welcome back to Lexington! We were here in 2010 & 2016, but this is a whole new place now. This conference has been years in the planning, and I am not talking about the physical layout. Andrew Jit, the 2024 president, has been pouring his heart and soul into his theme "Entrusted", traveling the world to bring a great program to ICOM this year.

Our staff has been very busy as well, gearing up for this conference all year! This weekend, we are in the process of launching an all-new online presence on our website (and on our mobile app starting January 2025). The new "ICOM Community" is going to make the resources of the ICOM conference available and active 365 days a year. This community will offer opportunities for attendees and organizations to communicate throughout the year in an effort to network and connect with people of similar interests. Your profile will be tailored to your interests, from areas of the world to types of mission work. This will be a great tool for everyone to use as we all strive to do what God has called us to do for the Kingdom. In the coming months, you'll start to see more updates to our online presence — stay tuned!

We hope you get to see all your friends and acquaintances, touch base with partners, and find the key contacts and information you might need to further your mission while you are in Lexington. Thank you for supporting ICOM!

— *David Empson*  
Executive Director, ICOM

Why is ICOM

**ICOM is an intersecting  
point for people to  
transform their skills  
into ministries for Christ**

That intersecting point begins with an annual conference. Launched in 1948, ICOM serves the Christian Churches/Churches of Christ with an in-person connection for missionaries and organizations to interact with churches and individuals interested in mission work.

# the ICOM Community

## Why have an online community?

We can all agree that the ICOM Conference is invaluable when it comes to networking and face-to-face time with others in your field... but it is difficult to bring multiple resources within arm's reach more than once a year. Our new Community hopes to bridge the gap between conferences by creating a space to network, collaborate, educate and inspire each other online all year long.

## Who can join?

**Individuals** interested in missions can create custom profiles... then they can join groups, post stories, and connect with other members and organizations.

**Missions/Organizations** can create profiles that display their work, geographical locations, videos, photos and more. They can connect with other organizations and Community members, as well as request to publish articles on the Community blog and be involved with content creation.

# What is the all-new ICOM Community?

The ICOM Community is a place to explore and soak up all God is doing across the globe. It is a platform where people can connect, learn more about niche mission topics, learn best practices, read stories posted by other Community members, and more!

## How will it work?

Once you have created an account, you will set your preferences, interest areas, and filters. Based on those settings, your “feed” will suggest blogs, organizations, other Community members, and groups that would be good for you to join. Think of it like a Facebook algorithm... the more you interact with certain topics, groups, and organizations, the more tailored your experience will be!

## Where can I learn more?

Join Emily Drayne’s workshop as she shares more about this exciting new endeavor for ICOM...

Friday at 4 pm - HYATT Regency 2  
or Saturday at 9 am - CBC MR6

# SICOM Workshops

SATURDAY – 9 AM

VENUE ROOM	Title Speaker	Description
CBC MR 9A	<b>Teach Us To Pray</b> Travis Surrell and students from Johnson University 	We believe that prayer is a powerful practice that connects us to God's global kingdom purposes and his heart for all peoples. You've maybe heard people talk about "prayer" at different points in your life, but maybe you still have questions about what prayer is, how to pray, or whether prayer really matters. That's okay! Even Jesus's closest followers came to him one day and said, "Lord, teach us to pray" (Luke 11:1).
CBC MR 10	<b>How to Use Your Story to Share the Gospel</b> Deb Sheagley of The Missions Academy	Every student has a story and your story is a part of God's Story of ongoing redemption in the world. This workshop will give you the opportunity to explore how the gospel is evident in your life and provide you with tangible tools in how to share your story with others. Reframing evangelism as storytelling requires an understanding of communication skills and building empathy with the receiver of the story. This workshop will challenge you to practice sharing your story with someone else as a means of sharing the gospel. By drawing upon moments of identity, brokenness, and rescue from your own life experiences you can help others find how they can also find rescue through the life of Jesus.
CBC MR 11	<b>Offering Peace in a World of Anxiety</b> Chris Irwin of EnterMission	The world is filled with division and anxiety and many within the church are as well. What if Jesus is more than just a way to heaven, but a way of living in a broken world that offers peace, hope, purpose and inspiration? Come and find out how!
CBC MR 12	<b>Disciple-Making Tools</b> Brittany Wilson of Team Expansion	At this workshop, we will learn a couple of different tools on how to share the Gospel.
CBC BALLROOM 1&2	<b>Student Film Festival</b>	This annual event is open to all high school and college students who wish to have a chance to have their short film shown to RedeemTV's 300k+ subscribers. Industry professionals will choose Best Doc, Best Narrative Film, Best Animation, ICOM Missions Award, Best High School Production and Best Comedy. The RedeemTV audience will select the Audience Choice Award from among the nominees.

Hosted by:

**THU** 10:00 am – 2:00 pm  
**FEE** \$25 **CBC** Rooms 10 & 11

### GROUP A - For Churches UNDER 200

The small church (under 200 people) provides unique opportunities for making disciples in what sociologists call the "social space." We will explore what it means to be effective at disciple making in this space as well as in the "transparent space," where Jesus disciplined Peter, James and John.

### GROUP B - For Churches OVER 200

In one of his last statements, Tim Keller said that churches of 200-1,000 people are the ideal size for disciple making today, because the leader is able to know many other leaders and church members personally. We will discuss how to create a discipling environment that is both personal and effective in a church of this size.

## For Missionaries Only

A Safe & Loving Home in Israel  
For the Elderly Born-Again Believers  
in Messiah

“If a brother or sister is naked and destitute of daily food, and if one of you says to them, Go in peace, be warmed and filled, but you do not give them those things which are needful to the body, what good is it? Even so, if it does not have works, faith is dead, being by itself.” Jam 2:15-17

## HAVE THE ELDERLY BEEN FORGOTTEN?

Many churches focus on missions and spreading the gospel, but what happens to those who have served faithfully their entire lives, but now find themselves frail and needing help? Many came to Israel during their prime years, forsaking family, home and lands, to bring the gospel to their own people, the people of Israel and those living in Israel.

Now they find themselves needing the very care they once provided...but what now?

This is where the Ebenezer Home steps in. We are a non-profit organization, founded in 1976, for the elderly believers now living in Israel. We provide these precious believers with the spiritual, medical, physical and emotional needed care. But we need your help!

WILL YOU PARTNER WITH US AND HELP  
PROVIDE THEM WITH:

- Housing
- Warm home-cooked meals

 <b>ICOM HUB LIVE STREAM</b>	<b>Bridging Race</b> <i>Dr. Orpheus Heyward &amp; Panel</i>	Join Dr. Heyward as he explores the topic of bridging race with a panel of guests. (NO LIVE AUDIENCE)
PERSONAL GROWTH <b>PRAYER</b> <b>CBC MR 1</b>	<b>Recognizing God's Divine Appointments</b> <i>Jason Ham &amp; Dean Trune</i>	God constantly provides us with opportunities to communicate with people. Often these people are divine appointments that God has orchestrated. We will discuss how God wants us to respond to divine appointments, and how He has moved supernaturally with divine appointments in our lives in the past.
PERSONAL GROWTH <b>LIFE COACHING</b> <b>CBC MR 2</b>	<b>Trauma Informed Coaching Basics for Coaches and Ministry Workers</b> <i>Heather Robey</i>	The impacts of trauma can manifest in many ways: burnout, exhaustion, disengagement, apathy—in ourselves and in those we lead. Ministry and the mission field are not an exception to the effects of trauma. Coaches and ministry workers who have been trained in trauma response techniques are uniquely positioned to provide hope to those who have been impacted by trauma. In this workshop we will discuss the impact of trauma on the brain, the significance of using a whole-body approach to healing, and explore some simple but effective tools that can be used to help those we serve take the next step on their healing journey.
PROFESSIONAL DEVELOPMENT <b>FUNDRAISING &amp; RESOURCE DEVELOPMENT</b> <b>CBC MR 3</b>	<b>The Anatomy of a Successful Development Strategy – 7 Essentials to Fundraising Success</b> <i>David Duncan</i>	Why do some ministries raise more money than others? What do they know that we don't? Like all aspects of ministry leadership, successful fundraising and development programs follow certain fundamental principles – we call them the 7 Essentials. If you are an old fundraising pro – or a newbie to the Ministry of Development – you'll find something of value as we discuss how to implement the seven essentials of a successful and sustainable fundraising program.
GENERAL MISSIONS <b>CHRISTIAN APOLOGETICS</b> <b>CBC MR 4</b>	<b>How &amp; Why the Biblical Portrait of Jesus Still Stands after Three Centuries of Negative Higher Criticism</b> <i>Brett Seybold</i>	This workshop will focus on a fresh angle to approach and share Jesus Christ in Post-Christian settings, particularly those heavily influenced by negative higher criticism and academic skepticism. In particular it will highlight several skeptical scholars' conclusions about Jesus from the past 3 centuries, their failure to reach consensus, and their inability to abandon the task of Jesus research. With these facts in place Bible-affirming Christ-followers can gain renewed confidence in sharing a unified, biblical, and historically persuasive portrait of Jesus Christ.
GENERAL MISSIONS <b>MOBILIZATION</b> <b>CBC MR 5</b>	<b>Finding Your Niche in Missions: Interests, Skills, and Desires</b> <i>Jake Moore</i>	The workshop series "Is Missions For Me? Mobilizing for Mission" is designed for those who think they are called to serve as part of God's Mission interculturally. Each of the five sessions will work through part of the discernment and questioning process in making the decision to say "Yes" to God's Mission. Workshop #1: This will help you assess and discover your best fit in intercultural ministry through three specific techniques. Jake Moore, Director of Church Catalyst Ministries at CMF International, will be your guide for this session.
PERSONAL GROWTH <b>ENCOURAGEMENT</b> <b>CBC MR 6</b>	<b>Lightbulb Love: 26 Ideas for Sharing God's Hope with Our Older Neighbors</b> <i>Kim Jackson</i>	The world is aging faster than at any other time in history. Experts are calling this a "Silver Tsunami." Perhaps it is better described for Christians as a mission field with many opportunities to put legs on Leviticus 19:32: "Stand up in the presence of the aged, show respect for the elderly and revere your God. I am the Lord." Using stories, Scripture, and statistics we will share 26 ideas for loving our older neighbors, and what individuals, families, youth groups, classes and churches can do to bring glory to God, and help and hope to older adults. We'll take time to hear ideas from those in attendance as well!
PERSONAL GROWTH <b>GOING DEEPER WITH GOD</b> <b>CBC MR 7</b>	<b>The Disciple Making Journey</b> <i>Sean Thorne</i>	Did you know that while 63% of American adults identify as Christians, only 4% align with the Bible's teachings? This stark contrast reveals a pressing need for genuine discipleship. Join us for a dynamic workshop where you will be encouraged to equip Jesus followers into becoming everyday missionaries and disciple makers, with a simple and reproducible training.
CHURCH ENGAGEMENT <b>EASTERN ORIGINS</b> <b>CBC MR 9A</b>	<b>Nothing Sacred</b> <i>Lynn Lusby-Pratt &amp; Lena Wood</i>	Explore the occult/Eastern origins of 7 ideas that have mainstreamed into the church: so-called sacred space, object, posture, breath, word, silence, union. Q&A.
CHURCH ENGAGEMENT <b>PRISON MINISTRIES</b> <b>CBC MR 9B</b>	<b>Rescued Not Arrested</b> <i>Roger Munchian</i>	How all churches and missionaries can get involved in Bible distributions, prison ministry and ReEntry in their community jails and prisons.

CATEGORY TRACK NAME VENUE ROOM	Title Speaker	Description
CHURCH ENGAGEMENT <b>GENERAL MISSIONS</b> CBC MR 10	<b>6 Ways To Reach God's World</b> Rodney Pennington	The Great Commission is not exclusive to a select group, but encompasses all believers. How can we each play a part? 6 Ways to Reach God's World provides a special avenue for you and your church congregation to delve into the possibilities of your involvement in God's global mission.
CHURCH ENGAGEMENT <b>MISSION TO ISLAM</b> CBC MR 11	<b>Sharing Your Faith With a Muslim</b> Saleem Massey	Recently, Islam has been spreading rapidly in the West. There is a great need to equip our people in Islamic doctrines so they could communicate the Gospel in an effective way in order to win them for Christ.
CHURCH ENGAGEMENT <b>ELDERS</b> CBC MR 12	<b>The Elder As Shepherd: How Elders Can Effectively Lead Their People To Spiritual Maturity and Personal Spiritual Transformation</b> David Roadcup	This workshop will carefully examine and apply the Scriptural teachings about how Elders can not only retain their flock but lead them to significant personal spiritual transformation. Models of effective discipling and training will be presented plus added information on how to train lay men and women to actually disciple others.
CHURCH ENGAGEMENT <b>GENERAL MISSIONS</b> CBC MR 13	<b>Breaking the Cycle of Generational Poverty</b> Dee Armes	Generational poverty affects every country, every community, every church. The usual solution is the giving away of resources. However, this often provides only a temporary fix. By walking along side those in poverty, teaching the benefits of making good choices, and providing solid, Bible-based principles, it is possible for a family to move from poverty to middle-class (a 200% income increase) within a three-to-five year period. Come and see how small communities are making huge changes in the lives of those once trapped in generational poverty.
GENERAL MISSIONS <b>MINISTER/MISSIONARY PREPARATION</b> CBC MR 14A	<b>Entrusting Scripture to Others</b> John Baxter, David Srygley	This two-part workshop will explore building authentic faith through education in God's Word and handling Scripture faithfully in cross-cultural contexts. Part 1 of the workshop will present a model of spiritual formation focused on study of God's word in the context of education and mentoring in a congregational context. Part 2 will explore principles for training others in understanding the meaning of Scripture and how to apply it in a local context.
PROFESSIONAL DEVELOPMENT <b>GLOBAL BUSINESS</b> CBC MR 14B	<b>The Gospel at Work: Real Life Theology in the Marketplace</b> Kevin Dooley	From Genesis to Revelation, God has been actively working in the marketplace to demonstrate His love to all nations. The gospel was literally born in the marketplace, and the mission of the church is being completed in the global marketplace. Join us to explore how real-life theology and work intersect in our everyday lives.
GENERAL MISSIONS <b>GLOBAL DISCIPLESHIP</b> HYATT REGENCY 1	<b>Disciple Making Movements are Finishing the Task.</b> Eric Barry and Tim Ferree	Disciple Making Movements (DMM) are a tool that God has raised up to empower the church to reach the ends of the earth in the last days. These incredible movements are growing globally at a 26% rate. That's faster than Islam, faster than atheism, faster than the birth or the death rates. Currently 115 million people are involved in DMM's and 30-40 million of those are Muslims! With DMM's we can reach the ends of the earth in our generation and it's happening. Find out how you can join the movement! With Eric Barry, Tim Ferree and the staff of Discipleship Global.
GENERAL MISSIONS <b>LATINO MISSIONS</b> HYATT REGENCY 2	<b>Passing the Faith to Second and Third Generation Hispanics / Trasmitiendo tu Fe a la Segunda y a la Tercera Generación</b> Larry Griffin	The workshop will explore the challenges that 2nd and 3rd generation Hispanics face. Practical ways will be discussed as to how the Hispanic Church can reach this growing and changing cultural group that is largely overlooked.
CHURCH ENGAGEMENT <b>GODLY REPSONSE TO ABUSE IN A CHRISTIAN ENVIRONMENT</b> HYATT REGENCY 3	<b>Understanding Abuse in Christian Communities</b> Maureen Garcia	This session will lay a foundation for understanding abuse dynamics from a biblical and research perspective. By examining Jesus's teachings alongside basic abuse dynamics, this session looks at how spiritual principles can inform our response to abuse. Participants will learn basic definitions and prevalence of abuse in many forms, as well as the ways the Bible speaks about power and abuse.
PROFESSIONAL DEVELOPMENT <b>PUBLISHING</b> HYATT WOODFORD	<b>Publishing For The Rest Of Us</b> Jonathan Turner	You've finally written that book that's been on your heart for years. But now what? How can you get it published and in the hands of those who would be blessed by it? This workshop will explain the process of independent publishing from formatting your manuscript to distribution for both paper and e-book formats.

GENERAL MISSIONS <b>TCK CARE</b> HYATT JESSAMINE	<b>Research-Based Best Practices for TCK Care</b> Lauren Wells	TCK Training has been conducting research in 2023-2024 on the impact of global mobility on adulthood well being. We will present initial findings from this research - looking specifically at the correlation between preventive care measures TCK's received growing up (debriefing, pre-field training, etc.) and adulthood mental, behavioral, and emotional health. We'll discuss how these findings can inform best practices for TCK care.
GENERAL MISSIONS <b>EQUIPING LOCAL CHURCHES</b> HYATT SCOTT	<b>Church-based Missionary Care: A Strong Foundation</b> Neal Pirolo	The Scriptures clearly declare God's plan for reaching the nations. Join us as we walk through those scriptural plans, and come away with practical insights and foundations for missionary care.
GENERAL MISSIONS <b>TRAIN INTERNATIONAL</b> HYATT FRANKLIN	<b>From Refuge to Resilience: How Emotional Safety Empowers MKs (Missionary Kids)</b> Elizabeth Vahey Smith	When the Lord is our Refuge, we're able to find joy and peace in the valley of the shadows. Our kids can access this same fountain of resilience when they rest in that refuge, but for many MKs, this is a foreign concept. In this workshop, we'll learn how to showcase the Father's love by making our homes an emotionally safe refuge, so that our children can face the world with greater resilience.

# ICOM **NEEDS YOU!**

As this year's conference draws to a close in Lexington, work is already in progress to execute a plan for multiple conferences in the future.

Facilities need to be secured three or four years in advance. Each conference requires deposits, quarterly payments and multiple trips to design, plan and recruit volunteers in the different host states.

ICOM relies on support from churches, business owners, and individuals to stay on mission to encourage, equip, and enlist workers for the harvest.

 <b>ICOM HUB LIVE STREAM</b>	<b>War Torn Missions</b> Valentin Siniy, Natasha Reimer, Liubov Synia	Hear our speakers discuss the cultural climate in Ukraine and other war torn parts of eastern Europe. (NO LIVE AUDIENCE)
PERSONAL GROWTH <b>PRAYER</b> CBC MR 1	<b>Spiritual Warfare</b> Paul Covert	Are you ready for specific practical teaching on spiritual warfare? Paul Covert teaches on the subject nationally, in clear and tested ways. He will be answering questions like: How do you close doorways to Satan? How can you tell if something is spiritual warfare or not? How do you handle strongholds? If you have questions on this subject, then this workshop is for you.
PERSONAL GROWTH <b>LIFE COACHING</b> CBC MR 2	<b>A Coach's Guide to Understanding and Combating Shame</b> Heather Robey	As Christian coaches, we desire to help our clients engage in a lifestyle that is wholehearted—one that stems from a place of worthiness in Christ. Shame is one of Satan's greatest tools for keeping the children of God locked in bondage. In this workshop you will learn how to create a safe space where your clients can learn to be vulnerable, take risks, and bring their secrets into the light of God's truth by learning about the antidote to shame and how to apply it to the coaching context.
PROFESSIONAL DEVELOPMENT <b>FUNDRAISING &amp; RESOURCE DEVELOPMENT</b> CBC MR 3	<b>Does Direct Mail Still Raise Money? Yes, join us to learn how you can make it work for your ministry!</b> David Duncan & JR Bucklew	What makes a good fundraising letter? Learn from professionals who have helped raise millions of dollars via appeal letters and emails. You'll leave with actionable information on how to improve this aspect of your fundraising program.
GENERAL MISSIONS <b>BIG PICTURE</b> CBC MR 4	<b>The Big Picture: What God Is Doing In Missions On All the Continents in 2024</b> Dieter Trefz	The world keeps changing! Christianity is growing in the southern continents. This workshop will show how Christianity is growing worldwide, and the dramatic effects of this growth. The role of Western missionaries continues to change, and yet we still need more missionaries who will go to this dynamically changed world. Using graphs, charts, and illustrations, we will discuss all these developments, and look at the various roles missionaries can and do fill around the world. What does the growing number of Christians need to pay attention to? What roles can we play, and what is my place in all this?
CHURCH ENGAGEMENT <b>UNITY &amp; DIVERSITY</b> CBC MR 5	<b>Biblical Diversity</b> Dr. Orpheus Heyward	This class will cover God's predetermined plan to have a people in Christ Jesus, beyond the boundaries of ethnicity, social class, and gender. Throughout this discourse, the attending will interface with God's challenge to establish a Kingdom culture on earth as it is in heaven.
PERSONAL GROWTH <b>WOMEN'S TRACK</b> CBC MR 6	<b>Women Empowering Women</b> Amy Mathis	When women empower women, change happens in families and communities. Twelve years ago, founder of Amor ministries, Gayla Congdon, created Women of Strength to establish a network for women from all around the world to come together and build meaningful connections with different communities in South Africa. Ultimately, the Women of Strength trip revealed that when women come together in Jesus' name to serve, everyone is stronger.  Amy Mathis, one of the leaders of Women of Strength, will share about the trip and encourage you to empower women right where God has you.
PERSONAL GROWTH <b>GOING DEEPER WITH GOD</b> CBC MR 7	<b>Discipling Disciple-Makers</b> Dean Trune	There are three main areas in our personal lives that need discipling and accountability. It is not enough to simply share knowledge. Our discipleship must be obedience-based that impacts our character. We make a greater impact in discipleship with "who we are" opposed to "what we do". The three areas are: 1. MY PURSUIT of JESUS: I must allow Him to purify my heart and my mind with Truth and to dismiss all of Satan's lies and deceptions that are inconsistent with Truth. 2. CHERISHING MY MATE (or if single, perfecting holiness out of reverence for God): How would it change things if our mate felt cherished just by how we loved him/her? Cherishing our mate changes everything in a marriage. 3. INTENTIONALLY MAKING a SPIRITUAL INVESTMENT in OTHERS: Jesus simply said to go and make disciples. The major issue is not "should we" but "how should we".  In this workshop, we will discuss how to practically disciple disciple-makers from some people who are doing it well.

PERSONAL GROWTH <b>WOMEN'S TRACK: BALANCING ACTION AND REST</b> CBC MR 6	<b>The Juggling Act: Balance Being a Woman of Action and a Woman of Rest</b> Laura Diebel	At first thought, rest and action are opposites and appear to be in conflict with each other. If we live either of them out the way the world tells us, then that is true. But the Biblical model we see is that they work hand-in-hand. PERSONAL GROWTH <b>GOING DEEPER WITH GOD</b> CBC MR 7	<b>Going Deeper with God though Journaling</b> Dean Trune	God-honoring ministry happens when it flows naturally out of our intimate pursuit of Jesus.  <b>ICOM HUB LIVE STREAM</b>	<b>Homeless</b> Dee Armes	When poverty is left unchallenged, the result is generation after generation of families and individuals struggling to survive. Core Community, through classes and walking beside those in poverty, works to help people move from generational poverty to middle class, a 200% increase in income. (NO LIVE AUDIENCE)
<b>PERSONAL GROWTH PRAYER CBC MR 1</b>	<b>Best Practices for Constructing Prayer Meetings that Work</b> Paul Covert	Do you have prayer meetings that are dry, devoid of the Spirit and are dying? Do you have people in your prayer meeting that are hurting the cause instead of helping? Then you need to attend Paul Covert's workshop on Best Practices for Constructing Prayer Meetings that Work. Paul has been leading prayer meetings for decades and can help you bring life and fire back to your meetings. His simple, practical approach, and tools have come from years in the trenches of prayer.
<b>PROFESSIONAL DEVELOPMENT LEADERSHIP CBC MR 2</b>	<b>Leading Your Team</b> Ron Kastens	What are some key aspects of leading a team well? This workshop will cover important aspects of team dynamics and things one can do to lead effective teams, ensuring that team members grow and develop while the team accomplishes its goal.
<b>PROFESSIONAL DEVELOPMENT FUNDRAISING &amp; RESOURCE DEVELOPMENT CBC MR 3</b>	<b>Been Fundraising Long?</b> David Duncan & Dusty Rubeck	Actually, we have more than 70 years of combined experience...and over those decades we have learned a few things that we'd like to share with you. Among them, are mistakes (ouch!) we want to help you avoid and wonderful strategies that result in out-sized impact when well applied. We love development-fundraising people. We believe in the ministry of development-fundraising. We can't wait for this discussion with you!
<b>GENERAL MISSIONS GLOBAL DISCIPLESHIP CBC MR 4</b>	<b>Faith That Moves Mountains</b> Eric Barry and the Discipleship Global Staff	We've all heard of God doing the miraculous in the third world. So why not everywhere? We've all read that if we have faith like a mustard seed nothing will be impossible for us? But we are not doing the impossible. We know the Scripture that says, "everyone who has faith in Me will do the things that I've been doing and even greater things will he do because I go to the Father," but we're not doing that. What's going on? Join us as we talk about faith that moves mountains, that empowers us for holiness and that changes the world.
<b>CHURCH ENGAGEMENT UNITY &amp; DIVERSITY CBC MR 5</b>	<b>Revelation 19</b> Dr. Orpheus Heyward	This class will explore the apocalyptic literature of the book of Revelation, moving toward a climactic explanation of Revelation 19 as a reflection of God's ultimate goal for a universal invitation to have fellowship with him. This victorious language pictures God as inviting everyone to the marriage supper to experience the intimacy of God's glory. This class will present how the church can walk in this purpose to fulfill God's desire to extend a universal invitation, tearing down the walls we build that prevent the experience of unity in Christ Jesus.
<b>GENERAL MISSIONS ICOM COMMUNITY CBC MR 6</b>	<b>Get Connected in the Brand New ICOM Community!</b> Emily Drayne	Launching this conference weekend, the all-new ICOM Community is a place for you to explore and soak up all God is doing across the globe. It's a platform where you can connect to others, learn more about niche mission topics, learn best practices, read stories posted by other Community members, and more! This workshop will be a first look into the Community, the features available to you and how to use them.
<b>PERSONAL GROWTH GOING DEEPER WITH GOD CBC MR 7</b>	<b>Going Deeper With God Through the Practice of Humility</b> Mike Luzadder	Humility is an accurate personal assessment in relation to God, but also in relation to others. Humility provides a conduit of God's grace to humanity and, therefore, humanity's grace to each other.
<b>GENERAL MISSIONS IS MISSIONS FOR ME? MOBILIZING FOR MISSION CBC MR 9A</b>	<b>Receiving the Care You Need in Missions</b> Juli Duvall Jones	The workshop series "Is Missions For Me? Mobilizing for Mission" - Workshop #4, "Receiving the Care You Need In Missions" will help you learn how to stay healthy and engaged in intercultural ministry. Juli Duvall Jones, Director of Care and Development, CMF International will be your guide for this session.
<b>GENERAL MISSIONS ORALITY CBC MR 13</b>	<b>Do You REALLY Understand Oral Cultures?</b> Micah Foreman	With an estimated 90% of the world's remaining unreached being Oral Cultures, it's important for disciple makers to understand how Oral Learners work. And yet probably 90% of Christian leaders are trained in ACADEMIC/WESTERN ways of learning & teaching. We'll discuss the values & functions of how Oral Cultures work so we can better adjust our tools & strategies to match our audience.

GENERAL MISSIONS <b>CHRISTIAN MISSIONS</b> CBC MR 12	<b>Historical Models of Christian Missions</b> Robert Reese	The workshop tries to answer the question: What can we learn from two thousand years of Christian missions? What are the key elements of Christian missions? How can we be more effective in our missions today?
GENERAL MISSIONS <b>INTERNATIONAL STUDENTS</b> CBC MR 13	<b>Discover the R1 Visa for International Ministry Staff in the USA</b> Greg Swinney	The search for qualified ministry staff is becoming more and more difficult. Why not reach out to the nations by adding an immigrant or international student to your ministry staff? This workshop connects you with prospective applicants, navigates the Federal and State protocols for employing foreign ministry staff and networks you with others who are exploring this new opportunity.
GENERAL MISSIONS <b>MISSIONS</b> CBC MR 14A	<b>A New and Effective Way to do Missions</b> Fraser Scott & Owen Jennings	How can we be truly effective, empowering and cost efficient in Missions? The church has tried a lot of different ways to be effective in missions and spent significant sums of money. Often much of what we do just doesn't make a lasting impact and breeds dependency. Sending missionaries and meeting their needs is becoming more difficult. Is there a better way? Yes, there is. One option comes from Andrew Jit's home country, New Zealand. It has worked consistently for decades, greatly reduces financial outlay, and generates sustainable, local-led poverty alleviation and Gospel ministry. Come and learn a new, exciting way to do missions.
PROFESSIONAL DEVELOPMENT <b>GLOBAL BUSINESS</b> CBC MR 14B	<b>Designing a World of Hope: How Your Profession &amp; Skillset Can Equip World Missions</b> Andy Harding	Christian architects, engineers, surveyors, and construction managers live out a holistic theology of work that honors all professions as avenues to glorify God and support His global church. This workshop will share case studies on how design professionals and Business as Mission models are transforming ministries in various sectors, including healthcare, education, and disaster response. Our aim is to inspire attendees to worship God through their vocations, wherever they may lead.
PERSONAL GROWTH <b>ENCOURAGEMENT</b> HYATT REGENCY 1	<b>Leaving a Legacy that Lasts: Your Five Words</b> Kim Jackson	As followers of King Jesus, we desire to live in such a way that God is glorified, and he is the one who is made famous. But our earthly lives will have an impact of some sort. What if we intentionally partnered with Jesus to live in such a way that our legacy transcends our earthly lives, giving God glory and encouraging those who follow in our footsteps? This idea-rich workshop will help equip participants for leaving a legacy that lasts for the glory of God and the good of those he loves.
GENERAL MISSIONS <b>LATINO MISSIONS</b> HYATT REGENCY 2	<b>Release the Lion - Helping Members Find Their Ministry Potential</b> Greg Waddell	Dr. Greg Waddell gives an inspiring presentation of his new book: Free the Lion. It presents a vision, based on Ephesians 4:12, where church leaders empower everyone to discover, develop and carry out their ministry. It is a practical guide to help its members find and embrace their ministry potential.
CHURCH ENGAGEMENT <b>GODLY RESPONSE TO ABUSE IN A CHRISTIAN ENVIRONMENT</b> HYATT REGENCY 3	<b>Godly Response to Spiritual Abuse</b> Maureen Garcia	This session is designed to equip participants with the skills to recognize and respond well to spiritual abuse. Through interactive scenarios, attendees will learn to identify instances of spiritual abuse and understand the DARVO tactic which is a common strategy used by abusers to deflect blame. Participants will gain confidence in their abilities to respond to spiritual abuse in a compassionate manner.
GENERAL MISSIONS <b>PEACEBUILDING</b> HYATT WOODFORD	<b>Peacebuilding in the Mainstream and Margins</b> Martin Brooks	Embracing and empowering the marginalized is important to missions and Kingdom ethics. How do mainstream and marginalized people and cultures interact with each other in a Christlike way? What is the Kingdom ideal? As the hands and feet of Jesus, how does the church bring the Kingdom of Heaven to earth? How do we interact with the "other" when we are part of the dominant culture? How do we interact with the other when we are in the minority? These issues are important to our missiological practices. These issues are important to consider as we share the good news of the kingdom. This class will help Christians build Kingdom shalom as ambassadors for the Prince of Peace.

 <b>ICOM HUB LIVE STREAM</b>	<b>Missions Undercover</b> Carl Stanley	Come learn what it's like working undercover on the mission field in several different fields. (NO LIVE AUDIENCE)
<b>PERSONAL GROWTH PRAYER</b> CBC MR 1	<b>Prayer</b> Jeff Vines	Jeff Vines is Senior Pastor of One&All Church in Los Angeles, California. Jeff's church is experiencing an amazing revival that began in 2015 and continues to the present day. Jeff believes this spiritual renewal is a direct result of One&All becoming passionate about prayer. Through intentional and heart-felt prayer, God is transforming One&All from a consumer mentality to one of service and expectation. Today, all four campuses host prayer meetings that are packed to capacity as people from the community come searching for an experience of God and a clear revelation of who He is and how He changes their lives. This workshop will tell the story of how this movement of prayer began, how it is sustained, and how it continues to transform lives and communities.
<b>PERSONAL GROWTH LIFE COACHING</b> CBC MR 2	<b>The Calling Journey</b> Jon Taylor	Today and every day, you are on a journey. God is moving you through a well-defined process to prepare you to be who you were made to be, and to do what you were born to do. You, and the global workers you work with, can understand where you are in this calling journey and gain a much-needed perspective of the road you are on, and where you are in that journey so you can fully join in on what God is doing in your life. This is a very powerful tool to help in member care and especially with retention.
<b>GENERAL MISSIONS LIFE MISSIONS</b> CBC MR 3	<b>Map a Life Mission That Matters</b> Josh Reynolds	"Mission" is not a Christian buzzword. It is the accumulation of life experiences, a purposeful process to look ahead, and intentional time with God. We find all these in Genesis 12-15 through Abram's life. In this session, we'll be filling in a personal map to navigate the primary question of every Christian — What is God calling me to do? With the right process, you can discern your next steps and walk forward when the path is unclear. Actively refining your map enables better decision-making and clarifies your Life Mission.
<b>PROFESSIONAL DEVELOPMENT TECHNOLOGY &amp; MISSIONS</b> CBC MR 4	<b>Jump Starting Ministry With Your Phone</b> Nathanael Dunn	Come and learn how your phone can be a wonderful media tool for your ministry. GNPI's Nomad Academy is a free online curriculum with over 200 registered students worldwide. Blending phone production capabilities with social media distribution is a great way to make disciples.
<b>GENERAL MISSIONS UNITY &amp; DIVERSITY</b> CBC MR 5	<b>Debriefing Dialogue Lab: America</b> Dr. Greg Arthur - VP Ideos Institute	In this workshop, Dr. Greg Arthur, VP of Ideos Institute, will lead a conversation about the documentary Dialogue Lab: America, the power of dialogue and empathy to disrupt conflicts and divisions, and practical steps for creating dialogue in your missional context.
<b>GENERAL MISSIONS INTERNATIONAL STUDENTS</b> CBC MR 6	<b>Kiss, Bow, or Shake Hands: Understanding the Cultures of International Students, Refugees, and Immigrants</b> Greg Swinney	International students, refugees & immigrants are relationship-oriented and desire to have American friendships. Just like the rest of us, they are looking for security, acceptance, love, and a place to belong. However, their culture seems so different - some Asians insist on taking off their shoes at your house while Colombians greet you with a kiss on the cheek. We need help to understand the culture, background, and habits of our foreign friends. Join us for an interactive look at understanding people from other cultures who may live just down the street.
<b>PERSONAL GROWTH GOING DEEPER WITH GOD</b> CBC MR 7	<b>Going Deeper with God Through Gospel Readiness</b> Troy Anderson	All of us have family, friends, or acquaintances who are not Christians, yet many of us lack the confidence or tools to personally share the Gospel with them. In this workshop we'll address both parts: moving toward Gospel opportunities, and communicating the Gospel with clarity.
<b>GENERAL MISSIONS DISCIPLESHIP</b> CBC MR 9A	<b>Integral Disciple Making</b> Judy Fish	Integral Disciple Making is 'a new old' practice of Kingdom building. Addressing the whole of man as one, Jesus modeled an integral mission. His endless acts of love and compassion demonstrated the proclaimed Word. In this workshop, you will discover how obedience-based disciple making and holistic community development merges both proclamation and demonstration. The process provides a simple, self-sustaining model for Kingdom building.

PERSONAL GROWTH <b>GLOBAL YOUTH</b> CBC MR 9B	<b>Into The Unknown: Embracing The Joy And Chaos Of Stepping Into Adulthood</b> Jesse Frame and Dale Puckett, & Rebekah Saum (Youth HOPE)	Embark on a journey 'Into the Unknown' as we discuss equipping youth to embrace the exhilarating adventure of adulthood, navigating both its joys and challenges. Join us for practical strategies and insights to help them thrive amidst life's unpredictable terrain.
GENERAL MISSIONS <b>DISCIPLESHIP</b> CBC MR 10	<b>The Element of Time in Disciple-Making</b> Larry Freed	Often in disciple-making, we discuss the content of our disciple-making, even the process of our disciple-making. Rarely do we discuss the time involvement. But disciple-making is time-intensive. How does a leader, a disciple-maker, find time in their busy schedules to do effective disciple-making? What is the impact on local church programming? Examining Jesus' life, we will explore these and other questions in this workshop.
PERSONAL GROWTH <b>RELIGIOUS FREEDOM</b> CBC MR 11	<b>Religious Freedom/ Religious Liberty</b> Danielle Runyan	Religious Freedom is guaranteed by the First Amendment. However, there are those who would take away that right for Christians. First Liberty is a nonprofit that works to guarantee the Christians' rights.
CHURCH ENGAGEMENT <b>EMPOWERMENT</b> CBC MR 12	<b>Release the Lion: Empowering Church Members for the Adventure of Ministry</b> Dr. Greg Waddell	Join us for an engaging workshop where you will learn how to empower your church to become a ministry-multiplying organism. We will explore how every church member can discover and release the ministry potential God has given them. The workshop explores how church leadership, church culture, and individual members work together to create a supportive environment for new ministry initiatives. This workshop is ideal for church leaders and members eager to see their congregations thrive and profoundly impact their communities for Christ.
GENERAL MISSIONS <b>ORALITY</b> CBC MR 13	<b>Do I minister like Jesus? - "He answered with a story"</b> Micah Foreman	Jesus was born into an oral culture (90% of His audience were illiterate). Jesus is our example of a MASTER oral communicator. He effectively and frequently used parables and stories to teach about the Kingdom of God. He asked hundreds of questions, helped his listeners DISCOVER truth from his teachings. Let's take a fresh look at Jesus' ministry model and see how our own ministry methods compare. "Everyone who is fully trained will be like his teacher." Luke 6:40
GENERAL MISSIONS <b>SPIRITUAL FORMATION</b> CBC MR 14A	<b>Proem Ministries Poland</b> Rafal & Agnieszka Piekarski	Proem is about connecting people to the hope and freedom found in Jesus. An exciting new ministry is our Proem Residency Program for young people/next gen/young adults that focuses on Biblical and theological training, spiritual formation, missional involvement and community engagement. Come and learn how practicing missions is a part of spiritual formation for every follower of Jesus and how to create missional experiences for young people.
PROFESSIONAL DEVELOPMENT <b>GLOBAL BUSINESS</b> CBC MR 14B	<b>Code for the Kingdom: Software Development with Global Impact</b> Nathan Tuley	What if you could use your passion and skills to have a global Kingdom impact? What if the code you wrote was now helping hundreds of missionaries around the world? What if the website you built helped mobilize the next generation of God-chasers? In this workshop, we will: explore real-world examples of impactful projects; discover pathways to involvement; discuss unique challenges and opportunities; and learn how to discern your role in God's Kingdom.
GENERAL MISSIONS <b>SPREADING THE GOSPEL</b> HYATT REGENCY 1	<b>The Nations are Here!</b> Jesse Kroll & Angie Long	God is working through the movements of people in the world, bringing them into closer proximity to the gospel and preparing them to receive the Good News. We have an opportunity and responsibility to welcome the foreigner/stranger in our midst. People on the move are more open to friendship, love and the gospel. Some will return home as witnesses to their own people and beyond. What part can we play in what God is doing?
GENERAL MISSIONS <b>LATINO MISSIONS</b> HYATT REGENCY 2	<b>DMM Outreaches in Spanish-Speaking Populations / MMD Metodos Entre Hispanohablantes</b> John Bliffen	DMM (Disciple Making Methods) methods are being used throughout the world to advance the multiplication of disciples. This workshop will examine DMM methods used in the country of Spain, and how these methods can be used with Hispanic outreach in the USA as well.

## Thank You From the ICOM Staff

Every year we try to say “thank you” from the ICOM Staff and Board of Directors. While this seems like a small task, the amount of gratitude in our hearts is hard to put into words. There are so many people who make up the conference of ICOM, so many who you may never see on stage or passing buckets or leading a workshop - but without them, the conference would suffer. That doesn’t even encompass the missionaries, organizations and ministry leaders that are onsite working in the USA and around the world for the cause of Christ. Without them, we would have no exhibit hall! What about the churches & colleges near and far who registered their church/college so their people could attend ICOM for free? Without them, we’d have no attendees and not as many partnerships!

There are so many to thank and express our immense appreciation for every aspect of this global-reaching conference! To our families, volunteers, churches, missionaries, organizations, sponsors, workshop leaders, main stage personnel, local church leaders, onsite technology gurus - from the bottom of our hearts - THANK YOU!!!

We also want to extend a huge thank you to our 2024 ICOM President, Andrew Jit. Without his vision, so many things would not have happened. His heart for the mission field and the body of Christ is one we won’t forget for a long time!

All our love and gratitude,

## Nothing moves that is not being **DRIVEN**.

In other words, behind every movement, there is a driving force. It is my strong conviction, and our theme for ICOM 2025, that if we are to take this gospel of the Kingdom of God to the whole world (*Matthew 24:14*), we must be inwardly compelled, inwardly **DRIVEN** to do so (*2 Corinthians 5:15*). Driven to go against natural selfish desires, driven to keep going against all odds, and driven to cross all barriers. So, I would like to invite you as an individual, as a family, as a church group, or as a college group to join us in Atlanta for an amazing time of fellowship, learning, networking, and inspiration to live a **DRIVEN** life.

## DENFORD CHIZANGA, PRESIDENT

*Denford Chizanga is a native of Zimbabwe, Africa and a graduate of Cincinnati Christian University. He is married to Shingirai and they have three children (two girls and a boy). Together they founded The Africa Development Mission Trust, a non-profit based in Zimbabwe whose focus it to bring community transformation through church planting, training, and development projects. Driven by a passion to preach the gospel and to take the saving message of Jesus Christ to different countries and cultures, Denford and his wife have seen the work of their ministry grow into three other southern African countries: Zambia, Mozambique, and Malawi.*
