THE 8TH ANNUAL SECURITY OPERATIONS SUMMIT 2026

Welcome to the Eighth Annual FBSN Security Operations Summit
Louisville, KY

BECOME A MEMBER

www.FBSNAmerica.com

- Peer Support & Networking
- Education & Best Practices
- Training Standards
- Professional Development
- Members-Only Benefits
- Learning Management System

READY

Show up. Be present when you're counted on.

WILLING

Be spiritually and mentally willing to do the right thing.

ABLE

Be properly trained and equipped.

NAME

The FBSN is different. Our annual event is too.

1. Take a look around you. Every attendee has been vetted & is law enforcement, first responder, chaplain, ministry safety or leadership professional, or a trusted sponsor supporting the Faith Based Security Network.
2. Over the course of SOS.26, 46 expert speakers will equip you with practical knowledge, skills, and resources to better protect your ministry.
3. Use this guide to take notes, capture ideas, and gather resources—but don't let it collect dust when you get home. Share what you've learned, train your team, & put these lessons into practice.
4. The FBSN is a professional 501(c)(3) membership association committed to advancing excellence in faith-based security through collaboration, education, & trusted relationships.
5. Finally, we are grateful to **Southeast Christian Church** for hosting SOS.26. We encourage you to take time to appreciate their hospitality and learn more about their ministry & mission.

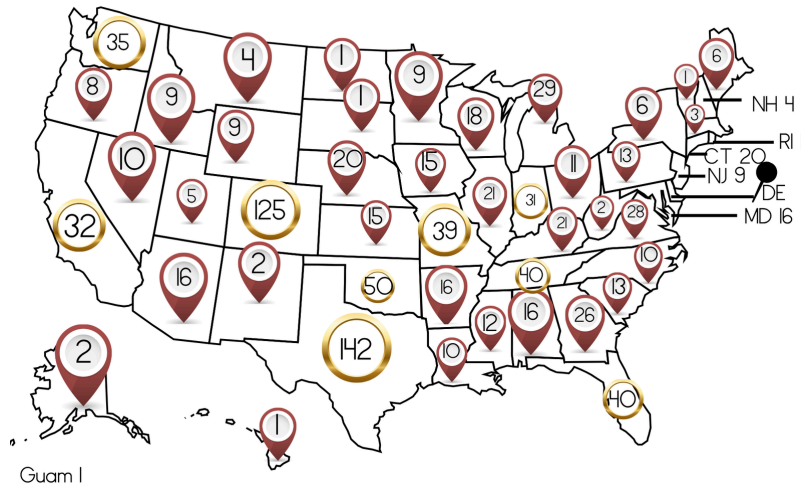

Thank you for being here.

This year approximately 500 church security leaders, law enforcement officers, ministry leaders, and safety professionals representing more than 40 states have gathered to learn, collaborate, and strengthen the security ministries serving their communities.

The Security Operations Summit has become more than an annual conference—it is the centerpiece of a growing, year-round effort to connect and equip faith-based security leaders across the country. The Faith Based Security Network is expanding its regional training opportunities with conferences planned in Indiana, Kansas, Texas and Nevada, bringing practical education and valuable networking opportunities closer to churches throughout the nation.

If you'd like to see an FBSN regional event in your area, we'd love to hear from you. Contact us at events@fbsnamerica.com to discuss hosting or bringing a regional conference to your community.

ABOUT THE FAITH BASED SECURITY NETWORK

**The FBSN now
has over 980
members in 49
states!**

Over the past decade, law enforcement officers, pastors, ministry leaders, and church safety team members have come together to build something greater than any one person or organization could accomplish alone—the Faith Based Security Network.

The challenges facing houses of worship continue to evolve. So must our response.

We believe that effective security is not built on isolated expertise but on shared knowledge, trusted relationships, and a commitment to continuous improvement. No one individual has every answer, and no two ministries face exactly the same challenges. Through collaboration, members gain access to the collective experience of professionals serving churches of every size and tradition across the nation.

The Security Operations Summit exists to bring that community together.

You will learn from some of the most respected practitioners in church security, law enforcement, emergency management, medical response, threat assessment, and ministry leadership. More importantly, you will learn from one another.

The conversations in the hallways, the questions asked during breakout sessions, and the relationships formed over meals often become just as valuable as the presentations themselves.

This program book is more than an agenda—it is a resource. Use it to capture notes, ideas, and action items that will strengthen your ministry long after the Summit.

After the Summit, we'll ask for your feedback. Your responses help improve future training and ensure each Security Operations Summit builds on the last.

We are honored that you've chosen to invest your time in this mission. Thank you for being part of a growing community dedicated to protecting people, preserving ministries, and advancing the profession of faith-based security.

If you are not already a member of the Faith Based Security Network, we invite you to join us. The Summit lasts only a few days, but the relationships, resources, and collaboration continue year-round.

Welcome to SOS.26. We are glad you're here.

Carl Chinn, President
Faith Based Security Network, Inc

SHARE THE EXPERIENCE

COULDN'T BRING YOUR ENTIRE CHURCH SAFETY TEAM? INVITE THEM TO JOIN YOU AT AN UPCOMING FBSN REGIONAL TRAINING EVENT. CONTINUE BUILDING YOUR TEAM'S READINESS TOGETHER—OUR NEXT REGIONAL EVENT IS OCTOBER 17, 2026, IN GOSHEN, INDIANA. WE LOOK FORWARD TO SEEING YOUR TEAM THERE!

EXPERTS IN THEIR SUBJECT FIELD

PLENARY

Speakers

Experience Matters: At FBSN, we believe the most effective instructors are those who have lived it. Our speakers include church security directors, law enforcement professionals, military leaders, first responders, ministry leaders, and survivors of deadly force incidents who share practical, real-world lessons learned—not just theory. Attendees leave with proven strategies they can immediately apply to better protect their congregations and ministries.

**Carl
Chinn**

After being a hostage in 1996 at Focus on the Family, and his church coming under attack in 2007, his passion for protecting ministries was forged. The FBSN, founded by Chinn, has become the leading security network for churches nationwide.

**Patrick
Cumba**

Patrick Cumba, is a decorated retired Federal Task Force Officer & Law Enforcement Command Staff, notably with past performance as a Detective Grade II with the Washington D.C. Metropolitan Police Department; where he concurrently worked as a Federal Task Force Officer with DEA, FBI, and U.S. Department of State (DOS).

David Dixon

Executive Director of Operations for Second Baptist Church, where he has served nearly 40 years. A Texas police officer for over 35 years. David is currently the sworn Police Commissioner for the City of Spring Valley. He is a former Special Response Team member, an active shooter instructor and a sought-after church security expert.

Stason Ikenouye

Safety Director for Flatirons Community Church, ordained pastor, & leader with The Herd men's ministry. A former SWAT operator, detective, and Crisis Intervention Team coach, Stason has over 20 years of experience in law enforcement, church security, & ministry, & is a passionate advocate in the fight against human trafficking.

Brink Fidler

Founder and President of Defend Systems, a physical security consulting firm specializing in active violence mitigation. A retired Nashville law enforcement officer and former Drug Task Force Director, he is a nationally recognized trainer helping organizations strengthen security and prepare for critical incidents.

Ed Monk

Retired Army Lt. Col. and Battalion Commander, 24 yrs active duty in US, Europe, & Iraq. A renowned expert in active shooter response, researching, writing, & providing training with over 30 yrs of experience in law enforcement & tactical training. Ed has trained numerous organizations & individuals on how to effectively prevent & respond to active shooter incidents, with an emphasis on saving lives & minimizing casualties.

**Kurt
Owen**

Kurt is a high threat protection lead and lead instructor at ESS Global. He is also an executive protection agent and combat/executive protection instructor currently training some of the world's largest ministries in security and executive protection.

**Robert
Reeves**

Retired Irving Police Department. Current LEO at Dallas Baptist University. Current serving as the Chief Operations Officer for First Baptist Church of Dallas.

**Trent
Steele**

Subject matter expert in security and safety planning, intelligence analysis, threat assessments, personal physical security, and security training. He has led a notable career as a Secret Service Agent and is now Director of Security for Prestonwood Baptist (TX). He spent 21 years protecting our nation's leaders and is now taking that skillset and experience into the protection of our churches, schools, and businesses.

**Jeff
Struecker**

Jeff Struecker is a retired U.S. Army Ranger and chaplain with over 22 years of active service, including combat in Panama, Desert Storm, Somalia (Black Hawk Down), Iraq, and Afghanistan. A U.S. Army Ranger Hall of Fame inductee, he is the lead pastor of 2 Cities Church, an award-winning author, and a nationally recognized speaker on leadership, faith, and resilience.

Prayer & Pastoral Care

The FBSN recognizes that many of our attendees serve on the front lines of ministry, law enforcement, military service, emergency response, and church security. Throughout the Summit, some topics and case studies may bring back difficult memories or emotions.

A Prayer Room is available throughout the conference on the first floor next to Room A106/A109, just off the Atrium. If you would like someone to pray with you, provide biblical encouragement, or simply listen, members of our chaplains group and prayer team are available.

To connect with someone, please **contact: Rich Moberly** 📞 **918-770-3758**

ADDITIONAL NOTES

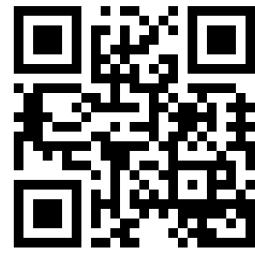

[illegible]

SPECIAL THANK YOU TO OUR HOST

SOUTHEAST CHRISTIAN CHURCH

Behavior flows from identity. As a church, we want to know with confidence who we are, because when we know who we are, we will know what to do. We want these five mantras—which come from themes Jesus used throughout the Gospels—to encourage, motivate, and direct us in the years to come.

- Be the Branch (John 15:5)
- Catch the Wind (John 3:8)
- Wreck the Roof (Luke 5:19)
- Grip the Plow (Luke 9:62)
- Empty the Jar (Luke 7:38)

SOUTHEAST CHRISTIAN CHURCH

Dave Stone

*Thank you to Dave Stone, Former Pastor,
Southeast Christian Church, for welcoming us to
the Security Operations Summit 2026*

AFTER HOURS INVITATIONS

THURSDAY EVENING CHURCH SERVICES AT SOUTHEAST CHRISTIAN

Stay after with a group of FBSN members to attend Thursday evening services at Southeast Christian Church. There will be a designated section for FBSN members in the main Sanctuary - Service begins at 6:30 PM on Thursday, July 23, 2026

FRIDAY EVENING BELLE OF LOUISVILLE RIVERBOAT CRUISE

Join SOS.26 attendees and staff on Friday after the conference on offsite riverboat cruise of Louisville on July 24, 2026.

Boarding Begins: 6:00 PM - 6:30 PM / Cruise Duration: 7:00–9:00 PM

Please note: The boat is approximately 15 miles from the church. Given typical traffic, I recommend planning for at least 30 minutes of travel time to ensure timely arrival for boarding.

Ticket Options: Cruise Only: \$25.64 / Cruise & Dinner: \$72.11 (after discount and taxes are added)

Only sworn federal officers and local authorities are permitted to bring firearms onboard. All others will not be allowed to carry.

Reduced Rates for Seniors 65+

Purchase Tickets (using promo code "group3") Go to this link:
<https://www.belleoflouisville.org/calendar/> -->select July 24th
on the calendar --> select 7PM Steamboat Supper or Evening
Cruise.

THANK YOU TO ALL PAST HOSTS

CORNERSTONE CHURCH (SOS.25)

Declaring Jesus everywhere and leading believers in a life of resilient faith. www.cornerstone.church

CHERRY HILLS COMMUNITY CHURCH (SOS.24)

We believe that all people were made in the image of God and as such we love and value everyone. We commit to demonstrate God's love to others through our actions and compassion to meet the practical, emotional and spiritual needs of our community. www.chcc.org

THE JOURNEY CHURCH (SOS.23)

The Journey Church exists to show Jesus as incomparably glorious. We believe that to whom much is given much is required (Luke 12:48). God has blessed TJC with incredible people, opportunities, influence, and resources. We have a responsibility to be a bold Great Commission church. www.tjclive.com

EVANGEL UNIVERSITY (SOS.22)

We had over 300 attendees join us in Springfield, MO on the beautiful Evangel University Campus. The second year of moving the SOS around the country was such a great experience it confirmed that is the way to do it. www.evangel.edu

SECOND BAPTIST CHURCH (SOS.21)

In our first attempt to meet after the COVID crisis, we were prompted by continuing Colorado Covid politics to move the SOS to Texas. We chose the huge campus of Second Baptist Church in Houston. It worked so well we decided to move the SOS around the country each year! www.second.org

WOODMEN VALLEY CHAPEL (SOS.19)

For the 2nd annual SOS event, we had intentions to make Colorado Springs, CO the go-to city for all future SOS events. We enjoyed the wonderful hospitality of Woodmen Valley Chapel as we met at their primary campus. www.woodmenvalley.org

FOCUS ON THE FAMILY (SOS.18)

There was no more logical place to launch the annual SOS event than at the ministry where the first dramatically public faith-based security incident had unfolded in 1996 which moved the founder of the FBSN into faith-based security. With over 200 attendees it was a confirming event. www.focusonthefamily.com

WARRIOR SPONSORS

KelTec

KelTec is a leading manufacturer of high-performance firearms, operating under Florida and U.S. laws. KelTec is renowned for its innovative designs and pioneering spirit in the firearms industry. Our commitment to the Second Amendment and the right to bear arms is unwavering. Our dedicated team, including many military veterans, works tirelessly to produce unique firearms designed by our in-house engineers. From concealable handguns to advanced bullpup rifles and shotguns, we are committed to delivering quality and ingenuity to our customers. **keltecweapons.com**

Right to Bear

Our mission is to serve our members, partners and RTB team faithfully by making a positive difference daily. First by letting them know we care and second by protecting what they value most—Faith, Family, and Freedom. We are relentless in our efforts of continuous improvement, both personally and professionally, and strive to do things better. By investing in our people and creating a culture of collaboration, selflessness, and grit, we are building a team to protect your team. **protectwithbear.com**

Church Security Planner

Comprehensive security management platform designed specifically for houses of worship. We help church administrators, security teams, and staff coordinate safety protocols, manage incidents, schedule security volunteers, & communicate effectively — all in one place. Our mission is to give faith communities the tools they need to create safe, welcoming environments so congregations can focus on what matters most. From small local churches to large multi-campus organizations, we make professional-grade security planning accessible to every ministry. **churchsecurityplanner.com**

MIS Security

We help you detect concealed weapons, carried by attendees, when they enter your facilities (left of bang). Our patented & proven technology will help identify weapons concealed on persons at the time they enter a facility or event. The underlying technology relies on magnetometers, which are non-emissive & medical device safe; vastly different from the traditional “gray rectangles” that generate a high energy pulse induction field, which are neither. The ability to be installed covertly & ADA compliant -trusted weapons detection anywhere. missecurity.com

Kirksey Architecture

Our Community Team understands that worship spaces are the foundation of a community, providing spiritual growth and fellowship.

Through a holistic and collaborative design process, we're able to differentiate ourselves from the start. Our years of expertise allow us to think outside the box and apply creative solutions for any type of worship space – be it large, small, liturgical, contemporary, or orthodox. kirksey.com/portfolio/categories/church-religious

Churchworx

Professional Development & Management Services. Serving Faith Based Institutions as well as Private and Commercial Entities.

Because of the support of David Hatton at Churchworx, the FBSN has been able to equip 1,500+ Church Security Directors and Team members from across the United States at the Security Operations Summits with the training they need to protect their ministries.

DTK Facility Services

Behind every clean, well-run facility are operational pressures that are not always visible. Managing a facility means balancing expectations, staffing realities, safety standards, budgets, and leadership oversight all at once. Cleaning is not just about appearance. It is about accountability, stability, and protecting the experience of everyone who walks through your doors. **dtkinc.com**

Church Facilities Expo

Your building serves your mission. You care for the building and the people in it. The Worship Facility Conference at Church Facilities Expo (CFX) is designed for safety directors, facility managers, operations leaders, and stewardship-minded teams who keep today's churches running safely, efficiently, and sustainably. **churchfacilitiesexpo.com**

PROTECTOR SPONSORS

Better Protectors, LLC

We've spent more than a decade serving the Church through true safety ministry. Our team brings real ministry experience: full-time roles, missions trips, outreach programs, and leading volunteers. We've helped dozens of churches launch and strengthen safety teams of every size. Our training is built around your ministry culture, not ours. We adjust to your church, not the other way around. Let us show you what makes Better Protectors different. **betterprotectors.com**

Decision Decks

Decision Decks are scenario-based cards designed to build critical thinking, judgment, & resilience in real-life situations. Each themed deck is packed with realistic scenarios and is used for safety team training, tabletop exercises, self-assessment, interview questions & identifying gaps in church safety & security programs. **decisiondecks.com**

SecurX

SecurX is a purpose built software application for church security teams. It enables church security leaders to easily assign safety team members to the positions for which they are trained and qualified. The app tracks volunteer engagement and training participation. It is also a secure repository for records management, reporting, alerts, and incident reports. Users can choose to receive text messages or email notifications for all of the important communications that the team needs to know! Sign up for a 30 day free trial at **www.securx.co**.

GXC Inc

GXC Inc. is a CVE-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and SBA 8(a) certified Minority Business Enterprise, founded in 2017 with consistent ownership since inception. Over the past nine years, GXC has experienced sustained growth by focusing on the delivery of advanced weapons detection systems, X-ray screening technologies, and professional security services supporting both federal and commercial clients. GXC is a trusted provider and preferred distributor of CEIA and VMI Xray technologies, with proven experience implementing solutions ranging from single-entry deployments to complex, multi-layered security environments. **gxc-inc.com**

SaferMobility

We equip faith-based organizations with modern, mobile-first technology designed to protect people while preserving a welcoming environment. Through structured opening & closing procedures, real-time communication, & centralized oversight, ministries can ensure staff & volunteers are supported, risks are reduced, & operations remain consistent & accountable. We balance safety with stewardship, helping organizations create secure spaces where their communities can gather, serve & grow with confidence. **safermobility.com**

Strong Glass Systems

Strong Glass Systems has been in the security film business since 1979. We are the leading security film installation company in the US and have installed film on over 6,000 schools nationwide. We provide free walkthroughs to audit your church and help protect the people of the community you serve. We also sell window shades, custom graphics and bollards. **strongglassusa.com**

Vine Alert

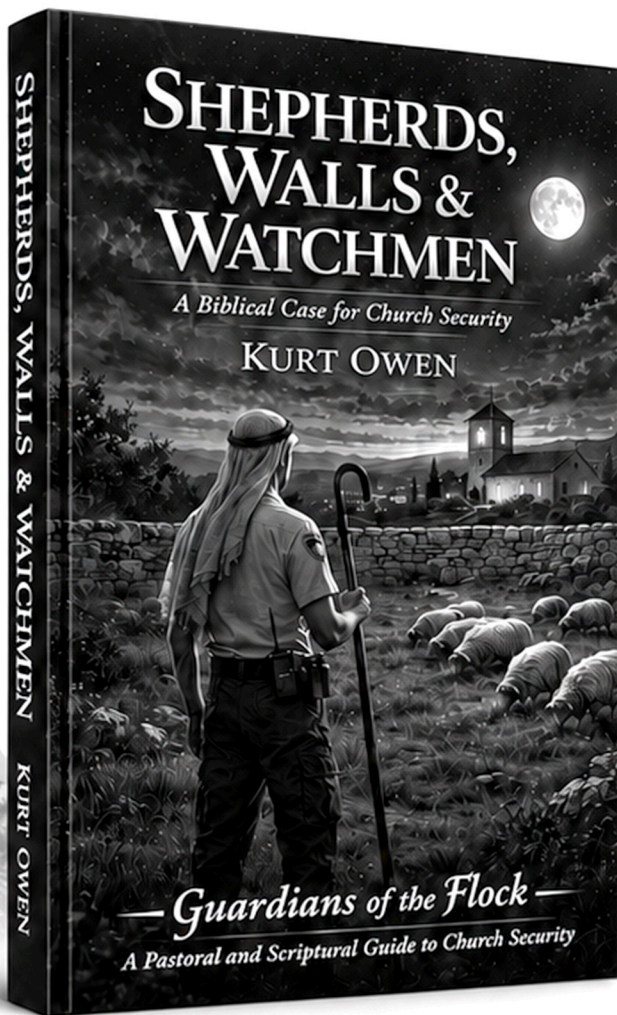

Founded in 2025, Vine Alert is a fast growing safety technology providing real-time visual notifications to churches, schools, and daycares across the country. Vine Alert's notification system provides peace of mind in time-critical situations to ensure safety plans are immediately carried out in a variety of urgent situations. **vinealert.com**

One Logic Source

Our intelligence professionals specialize in high-stakes intelligence collection, delivering critical information that helps clients make informed decisions. Our experience allows us to navigate complex matters with precision, provide thorough analysis, and work seamlessly alongside organizations. One Logic Source provides tailored social media and open-source intelligence monitoring designed to help organizations, institutions, executives, public figures, and other high-risk clients identify emerging threats, assess risk, and respond with clarity. Our service is built to deliver reviewed, contextualized intelligence rather than raw data alone. **onelogicsource.com**

SHEPHERDS, WALLS & WATCHMEN

*A Biblical Case
for Church Security*

DOES CHURCH SECURITY CONTRADICT FAITH — OR FULFILL IT?

Shepherds, Walls & Watchmen presents the biblical case for protecting your flock with wisdom, humility, and peace.

This compelling resource will strengthen your resolve as a church security professional, affirming that you are fulfilling God's call on your life and serving in a vital ministry within the church today.

BIBLICAL FOUNDATION
Discover Scripture's clear guidance on protection, peace, and stewardship.

PRACTICAL WISDOM
Gain a godly perspective for real-world security challenges in the church.

STRENGTHEN YOUR MINISTRY
Strengthen your understanding of church security as both a God-given calling and a vital ministry.

UNIQUE PRESPECTIVE
From a pastor and executive protection agent, this book helps you balance necessary protection with Christ-centered ministry.

DEFENDING THOSE WHO DEFEND OTHERS

Houses of worship face unique security challenges that require preparedness and reliable support. As part of your role in protecting your congregation, it's important to know that you have legal protection ready to go, whether on duty or off. The Attorneys For Freedom Law Firm is proud to support church security professionals through the Attorneys On Retainer Program, giving you direct access to experienced legal counsel for that added layer of protection.

Criteria for Coverage is Simple:

1. You are charged (or are reasonably concerned about being charged) with a crime (felony or misdemeanor).
2. You can reasonably and in good faith assert that you acted in self-defense or defense of others.
3. The charges arise out of conduct that occurred entirely after you became a member of Attorneys On Retainer.

The Attorneys On Retainer Association Benefits:

- Unlimited criminal and civil defense for self-defense-related cases.
- Attorney-client privilege with the nation's only self-defense exclusive law firm.
- 24/7 emergency hotline access to your trial attorney.
- Coverage available in all 50 states.
- Online self-defense training and education.
- Coverage is determined by your attorneys.
- Civil liability and record sealing coverage.
- Red flag law coverage.
- Coverage without endless exclusions.
- Earn commissions promoting AOR.
- And MORE!

Project Control & Close

As we deliver on your expectations, following the project plan and timeline, you and your leadership are able to focus on your roles and responsibilities, confident your project is being handled by a team of committed and experienced professionals.

Project Team Formation

At the outset, we structure interviews and meetings to understand your culture, and develop relationships with your leadership.

We then assist you in securing presentations from key professionals whose philosophy, proven reputation, and culture are aligned with your culture and vision.

Once the team is formed, we guide the project planning and execution.

Project Planning & Execution

We use these major phases to set appropriate timelines and a budget that supports your dream, but abides by your constraints.

- Goal Setting Guidance
- Budget Development and Control, with Results Reporting
- Project Detail and Schedule Oversight from First Day to Completion
- Project Progress Meeting Administration
