Remedy Orlando 2019 • A Medical Missions Conference from CMDA

March 28-30, 2019 • Orlando, Florida

www.cmda.org/remedy

Medical missions brings the remedy for disease. And medical missions brings the remedy for sin—Jesus Christ. But to do this, medical missions needs missionaries. Committed healthcare professionals are the greatest need in closed countries to provide God's spiritual and physical remedy. Join us at First Baptist Orlando in Orlando Florida on March 28-30, 2019 for Remedy, a conference focused on bringing God's remedy to the world.
