

Join the Faith Based Security Network!

America's Premier Christian-Based Professional Membership Association

The FBSN is a network of security, law enforcement professionals, and others, dedicated to continuously improving security in faith-based organizations.

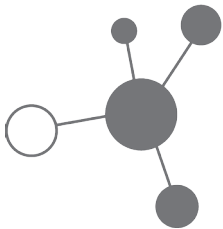

Connect with Others!

Sheepdog Coffee: Saturday morning zoom meetings are a time to glean wisdom from others in this endeavor and get connected.

Online Forum

Access to the FBSN Member Groups: members from across the U.S. quickly answer questions and offer resources.

Learn from Others

Learning Management System: FBSN's online training platform where members are able to access valuable training and download certificates.
