

# SPRING ADVENTURE GOALS

in collaboration with

Look for different shapes in the clouds.

Count how many different birds you can spot.

Go on a picnic.

Explore a new-to-you park (local, state or national).

Go on a bug hunt! Dig for worms; find fireflies, ladybugs and ants.

Make binoculars out of toilet paper rolls and spy something through them.

Splash in your rain boots.

Look for different kinds of flowers. (round petals, pointed petals, long stem, short stem, etc.)

Draw your favorite flowers in a journal.

Plant local wildflowers.
