Israel, Netanyahu, Trump, UN, War & Peace

Thomas W. Jacobson, Founder, Global Life Campaign

Israel's Prime Minister Benjamin Netanyahu delivered the most bold and righteous speech I've ever heard by a head of state at the United Nations on 26 September 2025. High officials, ambassadors and diplomats from many nations walked out before his speech or stayed away from the UN General Assembly Hall. But the Israeli, USA, and other delegations stayed and listened intently. Netanyahu spoke truth with great courage and confidence. He began:

"Mr. President,

The families of our dear hostages languishing in the dungeons of Gaza,

Ladies and Gentlemen,

Last year, I stood at this podium, and I showed this map. It shows the curse of Iran's terror axis. This axis threatened the peace of the entire world. It threatened the stability of our region and the very existence of my country Israel.

Iran was rapidly developing a massive nuclear weapons program and a massive ballistic missile program. These were meant not only to destroy Israel, they were meant also to threaten the United States and blackmail nations everywhere.

From Gaza, Yahya Sinwar dispatched waves of Hamas terrorists. They stormed into Israel on October 7th and committed acts of unspeakable savagery.

From Lebanon, Hassan Nasrallah had launched thousands of missiles and rockets at our cities, terrorizing our citizens.

In Syria, the murderous dictator Assad hosted Iran's forces, tightening a noose of death around our throats.

In Yemen, the Houthis launched ballistic missiles at Israel, while choking global trade at the mouth of the Red Sea.

So what's happened over the past year? . . ." ([click here to watch or read the speech on the Prime Minister's Office website](#)).

PEACE PLAN:

Prime Minister Netanyahu went to Washington, DC, and met with U.S. President Donald Trump on 29 September 2025. Last week, President Trump (when he was in New York and also spoke boldly at the UN) met with Arab nation leaders to finalize negotiations of his 20-point plan.

Prime Minister Netanyahu agreed to the plan during his historic meeting with Trump ([click here to watch or read the statements of Trump and Netanyahu](#)). The map below was released by the Whitehouse that day to show Trump's plan ([click here to read the "Full Text of the U.S. Plan for Immediate End to Gaza War"](#)). Point 4 of the plan declares: "Within 72 hours of Israel publicly accepting this agreement, all hostages, alive and deceased, will be returned." If Hamas

agrees to the plan, stops fighting, and releases all the hostages, the war would be over. But if Hamas does not agree, then Israeli forces will finish the war by destroying Hamas.

The plan requires Israeli forces (IDF) to gradually withdraw from Gaza as a newly formed International Stabilisation Force (ISF) takes over, removing Israel control over Gaza, and eventually creating “a credible pathway to Palestinian self-determination and statehood” (point 19). This means that Israel will not regain and possess a key part of the land given to them by The LORD as a permanent inheritance. Therefore, this won’t be the end of this story.

PRAY that whatever parts of this peace plan are consistent with the will of GOD will be successful, and any that are not will fail. Pray that all hostages will be returned immediately, that Hamas would lay down their arms and the war would end, that the LORD would protect Israel and all innocent civilians, and the Holy Spirit would bring a Kingdom of GOD peaceful revolution in the entire land of Judeo, Israel, Samaria and the region.

For the LORD, the sacred gift of life, and standing in the gap for Israel,
