

Hello from the Children's Corner!

Hillary Anderson

Hi, my name is Hillary and I am the new Missions Strategist for Preschool and Children. While I am from KY, I have had the privilege of serving as a Journeyman in Ghana followed by completing a seminary degree in New Orleans. These are two experiences that have shaped my heart for both global missions and the local church. My passion is for kids to know and experience the tangible love of Jesus in real and lasting ways. I love to cultivate fun with a mission and I am excited for all that is to come with the KYWMU!

Leading groups with confidence!

Last year, after listening to our leaders, we set out to create a series of Quick Start Leader Guides designed to help launch Missions Small Groups with confidence—and this year, that vision became a reality. We successfully developed and released guides for every age level, streamlining our approach to better serve churches and leaders. Each guide communicates the heart of missions discipleship, offers practical leadership tools, and provides simple, actionable ways to get involved. By organizing resources by age level—kids, students, and women—we've made it easier than ever for leaders to find what they need in one place. Our hope is that these guides remove barriers, build confidence, and empower leaders to start strong and lead well from day one. Guides are free- Call us to get one today!

Call KentuckyWMU at 502-489-2524.
