The Malta Commission: Restoring The Father's Heart & Sanctity of Human Life in the Nations

Thomas W. Jacobson, Global Life Campaign

“In November 2023, delegates representing 155 nations came together in a solemn assembly,” with one heart and mind to restore a true understanding of Father God’s heart for life and the sanctity of human life in our nations, and created The Malta Commission. Thomas Jacobson was there as a special guest representing the Global Life Campaign, and this week we have begun meeting with Life International – to whom God gave the vision for this Global Congress For Life – to discern how the Lord wills us to co-labor and partner to fulfill the Commission.

THE MALTA COMMISSION

“In the fall of 2018 the Lord Jesus gave Kurt Dillinger, President and Founder of LIFE International, a vision for a Global Congress for Life gathering on the island of Malta. For three days, leaders from every nation repented for violations against the sanctity of human life, bore witness to our Father’s heart for life, and were commissioned to proclaim His message of the Gospel and life worldwide. In November, 2023, delegates representing 155 nations came together in a solemn assembly, and this Malta Commission was adopted:

“Whereas all people are created in the image of God, we boldly affirm the biblical value of all human life.

“And whereas in our need for redemption, the Father sent His Son to do for us what we could not do for ourselves, we hereby commit to move toward people in need.

“And whereas we are in an era of history that denies objective biblical truth, we therefore humbly and prayerfully commit to depend upon the power of the Holy Spirit to:

- proclaim boldly the gospel of Jesus Christ,
- work collaboratively to speak for the pre-born, and those who have no voice,
- stand courageously as champions against all violations of the sanctity of human life,
- share the message of forgiveness, healing, and hope to all who have suffered as a result of a violation of the sanctity of human life,
- invest sacrificially in life-giving initiatives that give all people an opportunity to hear and respond to the gospel,
- equip and empower leaders to serve the purposes of God among the nations,

- and work toward the day when the whole earth will be filled with the knowledge of the glory of God even as the waters cover the sea.

“Signed by the LIFE International Board and the Global Advisory Council on November 29, 2023.”

Pray that the Holy Spirit would reveal to Life International, every delegate, and the Global Life Campaign, how The Father wills each of us fulfill The Malta Commission. And ask the Him if there are aspects that He wants you to fulfill directly, or give support to help with fulfillment?

For the LORD, the sacred gift of life, and remembrance of the babies,
