American Genocide: 67 Million Babies Aborted

Thomas W. Jacobson, Founder, Global Life Campaign

Last week was the 53rd anniversary of the *Roe v. Wade* decision imposing abortion on the entire United States, and the annual March for Life in Washington, D.C., celebrated with joy since the *Dobbs* decision in 2022 vacating (nullifying) the *Roe* decision. Also we rejoice in the thousands and thousands of Americans standing for the sanctity of life in other marches across the nation. Yet abortion remains the ongoing Greatest Genocide in America and worldwide. During the past

100 years, 67 million babies have been murdered by abortion in the USA, and 1.4 Billion Babies worldwide. Here is a chronological list of abortion policy and abortions in the USA.

PRAY that the Holy Spirit would convict Americans, beginning with the Church, of the evil of abortion and innocent bloodshed, and that we would have Godly sorrow leading to genuine repentance, humbling ourselves before Almighty GOD, turning from our apathy and wicked ways, that we may be forgiven, healed, restored, and end the American Genocide.

For the LORD, the sacred gift of life, and remembrance of the babies,
