5 Great Reasons to Support the GLC Mission

Thomas W. Jacobson, Founder, Global Life Campaign

Here are 5 great reasons to support the Global Life Campaign mission this month, in your year-end giving, and next year. Your partnership would enable us to do the following in 2026:

1. **Teach, equip, mentor and disciple pastors and Christian leaders in East Africa** and other nations, with deep Biblical foundations which they can then impart to their congregations and spheres of influence. This will strengthen the Church and increase the righteous influence of Christians in their communities and nations. We already have conferences scheduled in Rwanda, Tanzania, and 4 locations in Kenya.
2. **Online teaching and discipleship: Biblical and sanctity of human life teaching** for pastors, pro-life leaders, and Christian leaders primarily in foreign nations.
3. **Podcast:** Tentative title: Truth Foundations for Life. We hope to launch the podcast in February or March 2026.
4. **Fire At The Founding: new audiobook will be released very soon. We plan a special re-launch** to remember the spiritual, moral, intellectual and political foundations laid down by the 1700s clergy as we celebrate the 250th anniversary of the United States of America.
5. **Abortion Worldwide Report:** We plan to publish an updated version in 2026.

PRAY that The LORD would provide for all that is His will for us to do, and ask Him what He wants you to give. When you partner with us, whatever good fruit the LORD brings He also credits it to you.

GIVE your tax-deductible support through the 501c3 nonprofit New Horizons Foundation at this link: <https://admin.newhorizonsfoundation.com/donation/create/318>. Or you may make your check payable to "New Horizons Foundation," with "Global Life Campaign" in the memo section, and mail it to: Global Life Campaign, c/o New Horizons Foundation, 731 Chapel Hills Drive, Colorado Springs, CO 80920. (Gifts by check save the 3% credit/debit card fees.)

For the LORD, the sacred gift of life, and remembrance of the babies,
