New USA 250 Anniversary edition of *Fire At The Founding* & Jacobson FRC Interview

Thomas W. Jacobson, Founder, Global Life Campaign

A new edition of *Fire At The Founding*, celebrating America's 250th anniversary, is now available. You may purchase eBooks through the GLC Publications website: www.GLCPublications.com. Print books are available through Amazon, Barnes & Noble, and other book resellers. I'll let you know as soon as the audiobook is published.

Last week, May 19, Thomas Jacobson had the honor of being one of the interview guests on Washington Watch, at the Family Research Council studio in Washington, DC. The interview included a historical overview of national policies on abortion since 1803, worldwide and the United States; total worldwide abortions and the impact of chemical abortion pills (described accurately by Tony Perkins as "murder pills"); the USA position in relation to GOD is the same as the nations recorded in the Old Testament before judgment; what needs to occur to be restored to GOD and a culture of life; and briefly on *Fire At The Founding* and the influence of pastors. You may view the entire program, including my interview during the last 15 minutes, on the FRC website (Washington Watch); or the interview only at:
