Destructive Threats & Redemptive Solutions, 1-4

Thomas W. Jacobson, Founder, Global Life Campaign

As we approach Christmas and celebrate the greatest Good News in history of the birth of Jesus Christ to save us from our sins, many seem to have largely lost sight of who He is and what His influence through us can accomplish. Many have accepted Him as Savior, but are ignorant

of or deny the Truth of His Word, and His Lordship over all of life and all nations. We have forgotten how profound and transformative His Presence (when welcomed and honored and feared) and His Word (which is the foundation of Truth for every area of life) were in shaping the foundations of our nation (and other nations) and former generations. Only a remnant of the Church is the light and salt and “pillar and support of the Truth” (1 Timothy 3:15) that Jesus Christ, Head of the Church and Ruler of the Nations, calls us to be. Our light is flickering.

Let’s change that! Let’s become more like Him! Let’s represent Him well and be His vessels to transform our families, churches, and nations. Here are the first 4 of 12 threats that I see destroying the good foundations of the United States and other nations, catapulting us on a path of self-destruction. For each one, the Global Life Campaign has prepared teachings and publications to redemptively rebuild the spiritual, intellectual, moral and Truth foundations of our nations.

PRESENT DESTRUCTIVE THREATS	REDEMPTIVE REBUILDING SOLUTIONS
1. Loss of the righteous, noble leadership influence of most clergy and the Church (and knowledge of their role in laying the foundations of the USA).	Restore knowledge of the influence of clergy as the spiritual Founding Fathers of the USA: <i>Fire At The Founding</i> (FAF) book (plus audiobook to be released soon).
2. Loss of knowledge and confidence in the Bible; only 3-9 percent of Christians have a Biblical worldview.	Restore knowledge of Bible and confidence as the Word of GOD, and Biblical worldview foundations of Truth (BF4L; AWR; FAF).
3. Loss of knowing who GOD truly is, His nature and characteristics; loss of reverential fear of The LORD.	Restore Biblical Truth: “60 Characteristics of the Nature of GOD”; reverence for GOD (BF4L; FAF).
4. Loss of Biblical Truth about our identity as Man, created in the image & likeness of GOD, and created male or female.	Restore Biblical Truth and Honest Science: “Biblical Manhood and Womanhood” (BF4L; AWR).

The GLC resources referenced are: “Biblical, Judeo-Christian & Truth Foundations for Life” (**BF4L**) course; *Fire At The Founding: Christian Clergy Laid Essential Foundations for Liberty, Righteousness, Morality, and Just and Limited Government* (**FAF**); and the *Abortion Worldwide Report: The History, Policies and Sacred Accounting, and the Means to Restore Protection for Human Life* (**AWR**).

PRAY with me that The LORD would restore these Biblical, Judeo-Christian and Truth foundations in our nations, mightily strengthening believers in Christ and the Church to be light, salt, defenders of life, and Christ’s ambassadors to transform our families and nations.
