Response to *Dobbs* Decision & USA Election Results Reveal Further Loss of True Identity and Rejection of GOD

Thomas W. Jacobson, Founder, Global Life Campaign

Today is Veteran's Day in the United States. Let's remember what they fought and died for.

The response to the 2022 U.S. Supreme Court decision in the *Dobbs* case—which negated the *Roe* v. *Wade* decision and restored state authority to make laws pertaining to abortion—and the 2026 election results last week in the United States, reveal where most Americans are spiritually, morally, and intellectually. These outcomes reveal a deeply divided nation that does not know its own history. There has been a great loss of our true identity which formerly united us as "one nation under GOD," and a greater rejection of GOD. The USA map displayed, showing current state abortion policies, is NOT a picture of a nation that has repented and turned from their evil ways, and ended the slaughter of innocent babies.

America was birthed predominantly by Christians who believed in the one Creator GOD, and based their beliefs, their lives, their constitutions, their governments and the nation upon the Bible as the Word of GOD. But for a century now, those who don't know the Living GOD, or rejected Him, increasingly strive to remove any evidence of His hand in our memory.

We were a nation who boldly proclaimed our faith and dependence upon GOD, and that we were "endowed by (our) Creator with certain unalienable Rights." Now some Americas are persecuted and prosecuted and put in jail for standing for their faith and moral convictions.

We were a nation that cherished human life, with every state in the union prohibiting abortion during the 1800s until the 1950s-1970s. Now we are one of the top 4 abortion nations in the world. *Dobbs* gave us the opportunity before GOD to humble ourselves, repent of abortion, and restore state laws protecting human life. **Three** states did respond correctly and prohibit abortion (AR, OK, SD; in blue on map). But for the most part, we did not respond in ways pleasing to GOD that could have restored our nation to Him, and us to one another.

Since the 2022 *Dobbs* decision, **10** states did restrict abortion which were decisive moves in the right direction (AL, IA, ID, IN, KY, LA, MS, ND, TX, WV; green on map); but **37** states retained abortion on demand (red on map). Furthermore, during the 2022, 2024 and 2026 elections, **10** states approved or retained "a constitutional right to abortion" – that is, a "constitutional right" to murder unborn children – (AZ, CA, CO, MD, MI, MO [2 times], MT, NV [2 times], VA, VT); **2** states approved other abortion expansion or protection measures (NE, NY); **3** states rejected abortion restrictions (ID, KS, KY); and **1** (Montana**)** rejected protection of infants born alive. But in **3** states, voters rejected a constitutional right to abortion (FL, NE, SD).

These are profound and glaring signs of a deeply divided nation that has lost its true identity and rejected GOD. Part of us are still walking with GOD and endeavoring to restore our nation to Him and to the blessings and unity He gave us in earlier generations. But most Americans do not know the truth about our heritage, and the Biblical and Judeo-Christian foundations that made us the most unique and experimental nation in history. What President John Adams said in 1798 is now painfully obvious: "Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other." At this stage in our history, most Americans no longer appear to truly know GOD, at least not as He has revealed Himself. Many have become bold and tenacious in their sin and rebellion, in their rejection of authority, in their rejection of law and constitutions, and are misusing the same instruments to promote and guarantee a co-called "constitutional right to abortion" – to murder! "Therefore, GOD gave them over . . ." (Romans 1:24).

PRAY: the only hope of restoration of the United States is GOD Himself, who has unlimited capacities of grace and mercy for those who will humble themselves before Him, repent and turn from their wicked ways, and correct and end the evils done. Let us pray that Americans, beginning with the Church, will humble ourselves as a nation before GOD Almighty, and then labor diligently, wisely, shrewdly, and tenaciously to end abortion in our land.

For the LORD, the sacred gift of life, the sacred gift of liberty, and the restoration and preservation of our nations under GOD,
