Holy Sexuality Conference

Thomas W. Jacobson, Global Life Campaign

Last weekend I attended the best conference I've experienced regarding identity, sexuality and homosexuality. The Holy Sexuality conference was hosted by The Road @ Chapel Hills Church in Colorado Springs, Colorado. Dr. Christopher Yuan, his mother Angela, and his late father by video, shared their personal and family stories. Christopher's parents immigrated from China, got married in the United States, and finally came to faith in Christ after 28 years when they were on the precipice of divorce. Christopher had been living a homosexual lifestyle, so his mother began praying and fasting for him for eight years until he too gave his life to Jesus Christ. Dr. Yuan is a Bible professor at Moody Bible Institute, and he and his mother speak at conferences, colleges and in churches.

Dr. Yuan is a true Biblical scholar and theologian, and went deep into words, history and context in the Bible, showing a consistent view of humanity, identity, sexuality and purity in Hebrew and Greek, in the Old and New Testaments. He invested an entire session on hermeneutics and the importance of reading and studying the Bible through exegesis and as a canon. He exposed what happens when someone has a low view of Scripture, a revisionist view, or a traditional view that is not accurate. He took us through many Scriptures revealing truth and errors in interpretation regarding relationships and sexuality. He also spoke about "Nature or Nurture," "Sex, Gender & the Image of God," and "Holy Sexuality & The Gospel."

Here is the link to Dr. Yuan's website: <https://christopheryuan.com>. I especially recommend his latest book, *Holy Sexuality and The Gospel: Sex, Desire, and Relationships Shaped by God's Grand Story* (also available as an audiobook on Audible and Amazon); and their family story written by Christopher and his mother, *Out Of a Far Country: A Gay Son's Journey to God. A Broken Mother's Search for Hope*. Also, check out the newest project: *The Holy Sexuality Project*, a 12 lesson digital video series designed for teens. This project, valued at \$200, is available now for \$20 for a 2-year license.

Pray that his teachings, writings, and projects, and their family testimony, transform individuals, families and churches, and empower us to live in truth and grace.

Actions: Purchase their books and ask them to come and speak at your church. If you have teens or young people struggling with sexual identity, same-sex attraction or transgender, I recommend buying *The Holy Sexuality Project* – its video lessons!

For the sacred gift of every human life and remembrance of children unborn,
