Trump Administration Recognizes Human Life & Truth About Gender From Conception

Thomas W. Jacobson, Global Life Campaign

President Donald Trump enacted an Executive Order recognizing human life and male or female fixed identity from conception, on inauguration day, giving 120 days to comply.

Defending Women from Gender Ideology Extremism and Restoring Biological Truth to the Federal Government (Executive Order, 20 January 2025) – excerpts:

Section 1. Purpose. Across the country, ideologues who deny the biological reality of sex have increasingly used legal

and other socially coercive means to permit men to self-identify as women and gain access to intimate single-sex spaces and activities designed for women, from women’s domestic abuse shelters to women’s workplace showers. This is wrong. Efforts to eradicate the biological reality of sex fundamentally attack women by depriving them of their dignity, safety, and well-being. The erasure of sex in language and policy has a corrosive impact not just on women but on the validity of the entire American system. Basing Federal policy on truth is critical to scientific inquiry, public safety, morale, and trust in government itself.

This unhealthy road is paved by an ongoing and purposeful attack against the ordinary and longstanding use and understanding of biological and scientific terms, replacing the immutable biological reality of sex with an internal, fluid, and subjective sense of self unmoored from biological facts. Invalidating the true and biological category of “woman” improperly transforms laws and policies designed to protect sex-based opportunities into laws and policies that undermine them, replacing longstanding, cherished legal rights and values with an identity-based, inchoate social concept.

Accordingly, my Administration will defend women’s rights and protect freedom of conscience by using clear and accurate language and policies that recognize women are biologically female, and men are biologically male.

Sec. 2. Policy and Definitions. It is the policy of the United States to recognize two sexes, male and female. These sexes are not changeable and are grounded in fundamental and incontrovertible reality. . . .

- (a) "Sex" shall refer to an individual's immutable biological classification as either male or female. "Sex" is not a synonym for and does not include the concept of "gender identity."
- (b) "Women" or "woman" and "girls" or "girl" shall mean adult and juvenile human females, respectively.
- (c) "Men" or "man" and "boys" or "boy" shall mean adult and juvenile human males, respectively.
- (d) "Female" means a person belonging, at conception, to the sex that produces the large reproductive cell.
- (e) "Male" means a person belonging, at conception, to the sex that produces the small reproductive cell.

Sec. 7. Agency Implementation and Reporting. (a) Within 120 days of the date of this order, each agency head shall submit an update on implementation of this order to the President, through the Director of the Office of Management and Budget. That update shall address:

(i) changes to agency documents, including regulations, guidance, forms, and communications, made to comply with this order; and

(ii) agency-imposed requirements on federally funded entities, including contractors, to achieve the policy of this order.

(b) The requirements of this order supersede conflicting provisions in any previous Executive Orders or Presidential Memoranda, including . . .

(c) Each agency head shall promptly rescind all guidance documents inconsistent with the requirements of this order or the Attorney General's guidance issued pursuant to this order, or rescind such parts of such documents that are inconsistent in such manner.

THANK YOU President Trump for upholding and honoring the biologically true sex identity of every person as male or female from the moment of conception, and recognizing the sacred gift of human life "at conception."

PRAY: Give thanks to the LORD for this wise, righteous, and just policy enacted by President Donald Trump and pray for its effective implementation throughout the Federal Government.

For the LORD, the sacred gift of life, and remembrance of the babies,

Thomas W. Jacobson
