State Abortion Graphs (USA): New Publication Available

Thomas W. Jacobson, Global Life Campaign

Today GLC Publications, the publishing arm of the Global Life Campaign, has published ***State Abortion Graphs, DC & USA Graphs, 1951-2021***. The report contains abortion graphs for each of the 50 States, the District of Columbia, and the United States. The graphs show the initial abortion authorizations, total reported abortions for each year, and recent policy changes.

The downloadable pdf is available at www.GLCPublications.com for \$8.00 USD.

The prior email today announced the publication of ***State Abortion Policies: Tables, Maps, Data, Rank, Graphs, 1821-2022***, also available through GLC Publications.

As mentioned, a third document is available that documents 14 church denomination positions on abortion, and is titled: ***Church Denominations Who Stand for Sanctity of Human, Contrasted by Denominations Who Support Abortion***.

Pray for each member of the U.S. Supreme Court and courage to nullify *Roe v. Wade & Casey*.

For the sacred gift of every human life and remembrance of children unborn,
