Wouldn't You Like to Know What the Bible Says About . . .

Thomas W. Jacobson, Founder, Global Life Campaign

Wouldn't you like to know what the Bible says about:

- The Bible?
- The nature of GOD, who He truly is, and in whose image we are created?
- Who we truly are created to be as man and woman?
- GOD's order of authority and responsibility in each sphere, which if followed brings peace and right relationships to individuals, family, church, business, civil government?
- GOD's great concern for righteousness and justice? [1,700 words in Scripture]
- The sanctity of human life, including 8 universal truths?
- The humanity of the baby in the womb?
- Human rights and the right to life, including 7 universal principles?
- Civil government and its foremost duty to protect human life, including 7 universal principles?
- Law and its purpose in protecting human life?
- The duty of nations to protect human life, and 222 years of history of nations protecting life or authorizing abortion, revealing that the sacredness of life is upheld or lost depending on the influence of Christians?

You may have never received important Biblical foundations for any of these topics. The **"Biblical, Judeo-Christian & Truth Foundations for Life" (BF4L)** will give you those foundations.

Testimony: Vasyl Ziniak, Ukraine (2025): “If you are seeking a deep understanding of the biblical and Judeo-Christian roots of truth, the course Biblical, Judeo-Christian, & True Foundations for Life will be an indispensable resource for you. It provides the foundational knowledge that will help you stand firm in your defense of the sanctity and value of human life. This course will equip you with the arguments and understanding you need to defend the biblical truths about human life.”

PRAY and ask the LORD if it is His will for you to take this course, and/or if there is someone else He brings to your mind who would benefit and mature in their faith from these teachings.

With gratitude for the LORD, the sacred gift of life, and remembrance of the babies,
